
Water Management Coordination Team

WMS/EWA Workshop

December 3, 1999

WMDT Goals

- Evaluate a range of water Management tools
- Develop a Water Management Strategy for Stage 1 including the framework for the EWA

Some Limitations

- The gaming considered benefits/impacts due to water operations only.
- Applied b(2) in a specific manner.
- Did not game water quality traced only benefits/impacts
- Only considered a limited number of years
- Assets must have assurances and finances to be complete.

Workshop Ground Rules

- Workshop is to inform not debate.
- Questions at end of topic except for gaming example
- Questions should be for clarification and understanding
